2) Committee Reports

- a. Athletics Report – Rod
 - i. Touch Pro Update - No updates at this time.
 - ii. Winter Sports Update - Have direction this week from gov office, limited spectators allowed, 2 parents per basketball player only, not for dance/cheer, etc. Message will be out to the parents soon with more details.
 - iii. State Dance competition this week! Good luck to the team; we do have the banners if the reps/coach want to put them up at Lincoln Savings Bank.
- b. Treasurer’s Report - Carl
- c. Apparel Update – Gretchen - flags should be ready late this coming week and will work on delivery. Apparel order with Decker is going well, will end up with 90+ orders. Second mask order going well, will also close this evening and we have ordered additional for the Booster Club in case they are requested in the future we will have them on hand.
- d. Business Membership Update - Ryan
 - i. Ryan sent ~30 thank you letters with the new logo and year on them for the business sponsors this year.

3) New Items/Open Discussion

- a. Update on basketball tournament
 - i. 1/23 and 1/24 - girls (AP); 1/30 and 1/31- boys (FAB)
 - 1. 43 spots filled, 3 of the 4 boy’s divisions are filled so far and do have people on the waitlist in case people cancel.
- b. Update on cupcakes for teachers - took cupcakes in to the teachers a week or so ago in the MS and HS, all were appreciative of the BC gesture.
- c. Cheri Paulson stepping down as football rep, Adam Doll will take Cheri’s place.

4) Coaches Request Review

- a. Ryan shared what the color coding means on the report; Rod had reviewed and offered his thoughts on some items. Some were coded as not being needed at this time. Team discussed the option of approving all but those marked as not needed at this time, with a few questions about dance choreography, girls XC switched out the measuring wheel for binders. Also discussed the Veo camera and subscription for the boys soccer team, all agreed we should approve that request.
- b. Motion made by Ryan to approve everything not marked “not needed at this time” which Carl seconded. All reps voted yes to approve this as well.
