Registration is going well. We have 31 out of 64 team positions filled. The 5th grade boys division is completely filled. Look for an email in January to sign up to volunteer.

Save these dates:

- Girls are January 22 & 23
- Boys are January 29 & 30

c. Coaches Requests

- Ryan explained our budget, that costs are shared with the school, and how we came up with the total we can spend this year.
- Rod review the process he went through to collect requests from coaches. Each coach was able to submit up to 10 request and was asked to prioritize them. Rod then categorized items he recommends the Booster Club fund and things the school will take care of. He took into consideration what we spent on programs last year to try and keep things equitable.
- Jodi Hook (boys cross country) clarified priorities and requested moving the GPS watches priority 7 to priority 1.
- Eric Heitz made a motion and Ben Madison second to fund all items categorized as Green or Yellow in the spreadsheet. All Reps agreed. Motion passes.

- Huge thank you to all sports reps and volunteers who have helped this year, as we have the largest budget ever to help fund coaches' requests!
- Reps should inform their Coaches on what requests were approved and also how much bonus money they have available. Coaches should communicate to their rep what they want to spend the bonus money on before the end of the school year.
